Brother Commercial Series

UP TO
100
PAGES
PER MINUTE

88%
LESS CO₂**

40%
FASTER
THAN OUR
CLOSEST COMPETITOR*

Printing at speeds never thought possible

Revolutionary technology makes the new Brother HL-S7000DN print at speeds of up to 100 pages per minute. This makes it 40% quicker than its closest competitor*. Not only that, it **uses less than 60% of the energy** required for a comparable laser printer.

We've engineered a machine that is both powerful and **gentle on the environment**. The low carbon footprint is thanks to a combination of low power consumption and high-speed printing. In fact, the HL-S7000DN emits up to 88% less CO² than competitors**.

High-capacity ink cartridges are capable of printing up to 30,000 pages to significantly lower operating costs and provide **bigger savings for your business**. Cartridges can be changed in seconds to save on downtime too.

The HL-S7000DN copes easily with high-volume printing for **reliability you can count on**. New inkjet technology creates premium quality, laser-like prints every time utilising a new print head and pre-coat primer. Each character is printed with pinpoint accuracy and high definition detail using ISO certified ink for **quality you can see**.

The option of adding up to three extra lower trays and a 500-sheet stacker means the HL-S7000DN can handle high-volume printing and grow with the demands of your business.

For more information, call 1300 885 989 and speak with a Brother Commercial specialist today.

OPTIONS AND SUPPLIES

Replacement Ink Cartridge
(HC-05BK) Approx. 30,000 pages¹

Optional Lower Tray
(LT-7100) Up to 500 sheets
(maximum of three)

Output Stacker
(MX-7100) Up to 500 sheets
(maximum of one)

Stabiliser Unit (SB-7100)
Recommended when two
or more optional lower trays are
installed for increased stability

SPECIFICATIONS

GENERAL

Print Technology	Inkjet
Minimum Droplet Size	5pl
Processor	800MHz
Standard Print Speed	Up to 100ppm (pages per minute)
2-Sided Print Speed	Up to 50ipm (images per minute)
Resolution	Up to 600 x 600dpi
Local Interface	Hi-Speed USB 2.0
Wired Network Interface	10Base-T / 100Base-TX / 1000Base-T
Wireless Network Interface	IEEE 802.11b/g/n
Memory	512MB
Print Job Storage	2GB of storage for secure print jobs or frequently printed files
FPOT (First Print Out Time)	Less than 8.5 seconds (from ready mode)
Warm Up Time	Less than 5 seconds (from sleep mode)
Print Languages	PCL6, BR-Script3 (PostScript®3™ Language Emulation), XPS
Embedded Fonts	(PCL) 66 scalable fonts, 12 bitmap fonts
Embedded Barcodes	(PCL) 13 barcodes
Embedded Fonts	(PS) 68 scalable fonts
Mobile Printing	Brother iPrint&Scan app for Android™, Apple, Windows® Mobile Phone 7
Display	5 Line x 16 character backlit LCD

PAPER HANDLING

Paper Input*	500 sheet standard paper tray 100 sheet multi-purpose tray 500 sheet optional paper tray (maximum of 3)
Paper Output*	500 sheets face down 100 sheets face-up (straight paper path)
(*Calculated with 80g/m ² paper)	500 sheet optional paper stacker (maximum of 1)

MEDIA SPECIFICATIONS

Media Types & Weights	Standard / Optional Paper Trays - Plain & recycled paper (60 - 105g/m ²) Multi-Purpose Tray - Plain, recycled & bond paper (60 - 163g/m ²)
Media Sizes (Standard Printing)	Standard Paper Tray - A4, letter, B5 (JIS), A5, A5(long edge), executive, legal & folio Optional Paper Trays - A4, letter, B5 (JIS), A5, executive, legal & folio
Media Sizes (2-Sided Printing)	Multi-Purpose Tray - Width: 76.2 to 216mm, Length: 127 to 355.6mm A4, letter, legal & folio

SUPPORTED OPERATING SYSTEMS

Windows®	Windows 8® (32 & 64 bit) ² , Windows 7® (32 & 64 bit), Windows Vista® (32 & 64 bit), Windows® XP Professional (32 & 64 bit) Windows® XP Home Edition, Windows® Server 2008R2, Windows® Server 2008 (32 & 64 bit), Windows® Server 2003 (32 & 64 bit)
Macintosh	Mac OS X 10.5.8, 10.6.x, 10.7.x, 10.8.x or greater
Linux ²	CUPS, LPD/LPRng (x86/x64 environment)

PRINTER FUNCTIONS

Secure Function Lock 2.0	Restrict printing activity to individual or groups of users over a network
Secure Print (Windows® & Mac)	Protect print jobs with a 4 digit PIN that has to be entered at the control panel of the printer before printing
Setting Lock	Restrict access to the control panel by securing it with a PIN
Printer Driver Functions	Windows®: Poster Printing, ID Printing, Watermark Printing, Booklet Printing, Macro Printing, Print Profiles

SOLUTIONS

BSI (Brother Solutions Interface)	Allows the use of 3rd party solutions & apps, such as PaperCut, to increase security & productivity
PaperCut (optional purchase)	Increase security, efficiency & control costs using the pull printing & enhanced management capabilities of this BSI solution
USB Host	Connect a card reader for integration with PaperCut & BSI

NETWORK

Network Protocols	TCP/IP (IPv4 & IPv6)
Wired Network Security	APOP, POP before SMTP, SMTP-AUTH, SSL/TLS (IPPS, HTTPS, SMTP, POP), SNMP v3
Enterprise Wired Network Security	802.1x (EAP-MD5, EAP-FAST, PEAP, EAP-TLS, EAP-TTLS), Kerberos, IPSec
Print Log To Network	Records printing activities from each individual user, including network username, name of document printed & number of pages, to a file on a network
Email Notifications	Automatically have the device send an email to a nominated email address when it requires attention
Email Reports	Receive usage reports on a regular basis via email
IPv4 Restrict	Restrict network users who can or cannot access the device over the network
Wireless Network Security	WEP 64/128 bit, WPA2M-PSK (TKIP/AES), WPA2TM-PSK (AES), APOP, POP before SMTP, SMTP-AUTH, SSL/TLS (IPPS, HTTPS, SMTP, POP), SNMP v3
Enterprise Wireless Network Security	802.1x (LEAP, EAP-FAST, PEAP, EAP-TLS, EAP-TTLS), Kerberos, IPSec
Driver Deployment Wizard	Easily create print drivers for deployment over your network (Windows® only)
BRAdmin Professional 3 ²	LAN/WAN management software (Windows® only)

WEIGHTS & DIMENSIONS

With Carton	642(w) x 665(d) x 729(h) mm - 52kg
Without Carton	478(w) x 472(d) x 484(h) mm - 46kg
Carton Contents	Ink cartridge (Approx. 10,000 ¹ pages), power supply cord, driver CD for Windows® & Mac, quick set-up guide, user's guide

ENVIRONMENT

Power Consumption	130W active, 30W ready, 0.9W deep sleep (3W when wireless is enabled), 0.5W power down
TEC Value	1.5kWh / Week
Sound Pressure	64dBA active, 40dBA ready
Sound Power	7.43dBA active, 5.16dBA ready
Energy Star	Yes
Ink Save Mode	Reduces ink usage

CONSUMABLES

High Yield Cartridge	Approx 30,000 ¹ pages ink cartridge (HC-05BK)
----------------------	--

DUTY CYCLE

Recommended Monthly Print Volume	5,000 – 20,000 pages
----------------------------------	----------------------

¹Estimated cartridge yield is declared in accordance with ISO/IEC 24711 test in continuous printing methodology, using monochrome test page defined in ISO/IEC 19752 ²Optional free download from the Brother Solutions Centre <http://solutions.brother.com>
